ABOUT US

Founded in 1994, Armstar is one of the first Turkish blank gun manufacturers and exporter in Turkey. We have been manufacturing a variety of both sporting and hunting shotguns.

Our product line contains semi automatic (inertia system & gas operated), magazine-fed semi automatic, magazine-fed pump action, O&U, single barrel shotguns in different qualities and standards depending on the request. Since the beginning of 2019, we have started manufacturing high-quality PCP air rifles in .177, .22 as well as in .25 calibers and expanding the product line. The PCP air rifles we produce stand out with their high precision and with unique and ergonomic designs.
